

PILOT SIBLING GROUP KICKOFF!

Saturday, April 18

10am - 1pm

Based on the Sibshop model, this sibling group will include crafts, games, and other fun activities. Lunch included! Join us to:

- Meet other brothers and sisters of children with disabilities or special health care needs
- Talk with other who “get it” about the good (and sometimes not so good!) parts of having a sib with special needs
- Have fun!!

Parents do not need to stay on site but must pick up their kids promptly at 1pm. Since this is a pilot project for our agency, your feedback will be very helpful. This group is planned to repeat monthly on Saturdays.
